Kasturi Marg, New Delhi
Dated: 12th August, 2013
b. Development of pre-poor value chain around NTFP collectors ensuring increased access to market and market information for better marketing of their products.

c. Promotion of community based livelihoods organisations owned and managed by the tribal NTFP collectors that enable them to increase household income through livelihood enhancements on a sustainable basis.

d. Development and promotion of sustainable NTFP management practices in pre-harvest, harvest and post harvest technologies to enhance the livelihoods opportunities for NTFP collectors leading to climate change resilience and improved bio diversity.

e. Drudgery reduction for women NTFP collectors through use of gender friendly tools/technologies.

f. Improved productivity of NTFP resources on a sustainable basis.

g. Development of value chain for access to markets leading to better price realization.

5 The PIA/Coordinating agency has to consider the following non-negotiable of National Rural Livelihood Mission (NRLM) and MKSP and should ensure that these principles are respected and are not violated.

a. Building institutions of the poor (such as SHGs, SHG federations, Livelihoods Collectives, Social Collectives, etc.) is a prerequisite for livelihoods promotion.

b. Active generic institutions like women SHGs prioritized in the process.

c. Self-reliance of institutions promoted.

d. Ensure equity in decision making and all other common activities including benefit sharing.

e. Sustainable resource use (pre-harvesting, harvesting and post harvesting) with feasible care for regeneration and development.

f. Development of NTFP value chain for forward and backward linkages to be integral part of the project.

g. Practices are eco-friendly.

h. Targeting the poorest of the poor and most vulnerable such as SC/ST, minorities, landless and the particularly vulnerable tribal groups (PVTG) dependent on NTFP.

i. Participatory approaches and bottom up planning will constitute the core value of the MKSP.

6 While identifying the target group, priority should be given to poorest of the poor and most vulnerable women such as SC/ST, minorities, landless and the Primitive Tribal Groups.

7 Reallocation of funds not exceeding to 5% of the total project cost among different project activities will be permissible to accommodate any innovation within the project. However, reallocation on account of administrative expenditure shall not be permitted.

8 Purchase of vehicles is not admissible in the project.

9 The administrative expenses for managing the project shall not exceed 5% with the condition that savings if any in the administrative component may be used for furthering the activities of the project but not vice versa.

10 After the release of first instalment of Central share by MoRD, matching share should be released by the Central Silk Board within one month after signing of MoUs with the PIA.

11 PIA should submit the inception report within 15 days of receipt of 1st instalment of Central share from MoRD, as per prescribed format.

12 The DFR should be submitted within 3 months from the date of receipt of 1st instalment of Central share from MoSU, as per prescribed format.

13 The Inception Report should contain detailed worked out budget, and detail training schedule as per the budget template/training schedule formats. Along with the Inception report, the PIA should submit the following documents: The Technical Protocol (As per Guidance note), their Poorest of Poor Strategy/models, Drudgery reduction tools proposed (with pictures of specific tools), their Planned MIS framework, Monitoring & Evaluation framework and proposed system for proactive public disclosure of information (As per Guidance notes/norms).

14 The PIA should submit their MIS reports to MoRD, as and when required.
Before the commencement of the project, the PIA should have a dedicated team for the implementation of the project. The details of project implementation team should also be communicated to this Ministry along with inception report.

PIA will conduct a detailed baseline survey within first four months of the release of 1st installment of Central share. Baseline survey details as per baseline format should also be submitted to this Ministry.

At the end of the project period, the ownership and management rights of the infrastructure and assets created if any, under the project, shall remain with the participating women groups/organizations.

It will be open to MoRD to have verification of the progress of the project by a third party/independent agency.

The completion report of the project should be made available by the PIA to MoRD within three months from the date of project completion along with final utilization certificate and audit reports and funds that remained unspent, if any.

Financial audit is to be carried out by the Chartered Accountant of the PIA or any other authority appointed by the State Government. The audit report together with action taken on the auditor’s observations and physical progress under the project shall be furnished at the time of release 2nd/3rd installments of the Central Funds.

Audit reports of the project should reflect the total Govt. Grant (Central and State share and interest thereon) and cash contribution if any from other sources with reference to cost estimates and components in the project report. In case of contribution in kind by PIA or other sources, the auditor will provide a separate certificate indicating the valuation of cost components borne by PIA or other sources.

The Ministry of Rural Development retains the right to carry out internal audit of funds and financial implications of the project, if deemed necessary.

The PIA will furnish a certificate to the effect that the beneficiaries under MKSP have not been assisted/proposed for assistance under any other Government Programme for similar activities.

The interest amount accrued on Government releases, if any, shall be adjusted against the Government share of the project cost at the time of release of the third and final installment. PIA should also exhibit and account for the interest earned and accrued and utilize such interest for the project only subject to overall sanctioned project cost, under intimation to MoRD.

The PIA/coordinating agency shall submit the progress report of the project by 15th of the month succeeding every quarter in the format prescribed by the Ministry (As per prescribed format). Failure to furnish the progress report would make PIA/coordinating agency liable to refund the Central Funds released for the project along with interest.

or monitoring and periodic review of the sanctioned project, a Committee at the State level, headed by the Secretary (RD) of the State is to be constituted who would be responsible for reviewing and monitoring the Project/s. The Mission Director, SRLM would be the convenor of the Committee. The State Committee shall have participation from Forest and Environment, tribal development and women and Child Development Departments. The Committee shall undertake quarterly reviews with the PIA/s. The State governments may also constitute a State Level Technical Project Support Group to assist the PIA/s in the implementation of the Projects.

SRLMs of the States should be involved in the process of monitoring at State Level with State Level Monitoring Committees of the project States headed by the CEO/SMD, SRLM or his designate.

It shall be open to the Ministry of Rural Development to prescribe such conditions, as it deems fit, from time to time to ensure proper execution of the project.

A web based monitoring system is to be established and a web site for the project with details regarding beneficiaries, training, income etc will have to be maintained by the PIA.
30. The action plan and time line should be immediately uploaded on the web site by the PLA.

31. The training content/modules under the project will be uploaded on the project web site.

32. The project may follow the Group Approach for delivery of services and the Community based organizations should be given key role in the management, decision making and handling of finances under the Project.
