Dear Secretary,

Consequent upon enactment of the Child Labour (Prohibition & Regulation) Amendment Act, 2016, which provides for complete ban on employment of children below 14 years and for the prohibition of employment of adolescents in the age of 14 - 18 years in hazardous occupations and processes, Government has taken many initiatives such as Framing of Child Labour (P&R) Amendment Rules, 2017, Review of schedule of hazardous works, Release of Standard Operating Procedure (SOP) etc. to strengthen the legislative framework against the evil of child labour. An online Portal PENCIL has also been developed as a tool / mechanism for effective enforcement of the Child Labour Act as well for the smooth implementation of National Child Labour Project (NCLP) Scheme. Further, the NCLP Scheme has also been reviewed and being implemented with increased coverage of 323 sanctioned districts in 21 states to ensure better rehabilitation of the children withdrawn from work.

2. The momentum of recent initiatives reflects strong commitment by the country for elimination of all forms of child labour and the same was re-affirmed by the Government in June, 2017 by ratification of International Labour Organization (ILO) Contention No. 138 regarding Minimum Age of Employment and Convention No. 182 regarding Worst Forms of Child Labour.

3. As you are aware that the 12th June is observed as World Day against Child Labour, launched by ILO in 2002, to focus attention on the global extent of child labour and the action and efforts needed to eliminate it. Each year on 12 June, the World Day brings together Governments, employers, civil society and the people around the world to highlight the plight of child labourers and the initiatives taken for abolition of the problem worldwide.

4. In view of the above, on the occasion of World Day against Child Labour on 12.06.2019, I would request you to observe the World Day through raising awareness against child labour. I would also request to widely circulate the enclosed Pamphlet to all your subordinate / attached offices and PSUs for its wider dissemination especially in the areas vulnerable to child labour.

Together we can achieve, together we can protect our children.

With regards,

Encl: As above

Yours sincerely,

Shri Raghvendra Singh,
Secretary,
Ministry of Textiles,
Udyog Bhawan,
New Delhi.
